Join the Peak Athletics Family!

Thank you for your interest in the Competitive Prep Cheer Program at Peak Athletics! Our organization has been committed to excellence since its inception in 1999, and we intend to continue that tradition in the 2017-2018 season.

All Star Cheerleading has grown and developed over the last 20 years to become an extremely athletic and competitive sport. At Peak, we push our athletes to reach the highest of their potential while trying to teach life lessons that will stay with the athletes well beyond their years in the gym.

We are grateful to train in a beautiful 24,000 square foot facility and share our space with two other competitive programs, Dance and Gymnastics. Being part of the Peak Family affords us the opportunity to take advantage of our expert coaches in all three disciplines to give our athletes the opportunity to be well-rounded in all aspects of our sport. Most importantly, it triples the size of our support system and gives our athletes and families an even larger group of people to develop life-long relationships with!

Being a part of our Competitive Prep Cheer program is a smaller obligation and one that we encourage you to consider all aspects prior to committing. Our financial commitment is outlined in detail in the following pages. If you have individualized questions regarding this topic, please feel free to reach out so we can ensure you head into the season fully aware of what you are committing to. In addition to the financial commitment, there is a considerable time commitment for the athletes and their families. These details will be laid out within this packet, but please do not hesitate to reach out if you would like further clarification.

We are grateful for your interest in our program and thank you for the opportunity to become a part of your family's life! I look forward to getting to know each of you over the coming months and encourage you to contact me with any questions you have.

Sincerely,

Chelsea Kouzmanoff, All Star Cheer Director,
