Join the Peak Athletics Family!

Thank you for your interest in Peak Athletics' FIRST EVER High School Prep Dance Team!

We are proud and excited to offer this opportunity to dancers ages 13+ (or those in 7th grade and up) to gain valuable experience by being a part of a competitive team. This is a great way to prepare for a high school dance team and all that it entails including technical training, professional choreography and competing at local events!

We are proud to offer a dedicated coaching staff committed to the concept of sportsmanship and team building. We have adopted "PEAK POSITIVE" as our affirmation and mission. Our expectation is that all our dancers respect each other, their coaches and their fellow competitors. We feel that it is important for our participants to learn about the structure of organized programs, both in the studio and at competitions. We believe that with this knowledge our dancers gain confidence and meet team goals. We consistently promote achievement and the pursuit of excellence with all our dancers. We appreciate your interest in our Competitive High School Prep Dance Team and look forward to working with your dancer.

Sincerely,
Nicole Graham, Owner & All Star Director
Steven Thornton, Dance Director & High School Prep Team Coach
