Join the Peak Athletics Family!

Thank you for your interest in the Competitive Prep Dance Program at Peak Athletics! We are proud to offer this exciting opportunity for young dancers to explore dance in a semi-competitive environment. The Competitive Prep Dance program is designed to teach the basic technique of dance while preparing a full routine to be competed in the Prep category at local competitions. It is a wonderful opportunity to discover the desire and skills of each athlete before making a commitment to a fully competitive team.

We are proud to offer a dedicated coaching staff committed to the concept of sportsmanship and team building. We have adopted "PEAK POSITIVE" as our affirmation and mission. Our expectation is that all our dancers respect each other, their coaches and their fellow competitors. We feel that it is important for our participants to learn about the structure of organized programs, both in the studio and at competitions. We believe that with this knowledge our dancers gain confidence and meet team goals. We consistently promote achievement and the pursuit of excellence with all our dancers.

We appreciate your interest in our Competitive Prep Dance program and look forward to working with your dancer.

Sincerely,

Nicole Graham, Owner & All-Star Dance Director
