Introduce your 2-3 year old dancer to ballet and tap. This is a 45 minute creative movement class that explores rhythm and movement associated with these two forms of dance. We will use various props and games while teaching our tots the terminology of ballet and tap. In addition, we will explore how our body moves and what body parts to use to accomplish a variety of ballet and tap steps.

COMBO CLASSES

Each of our combo classes will focus on the basics of dance and will teach young dancers a variety of dance styles such as Ballet, Tap, Jazz and Pom. We currently offer combo classes in Pom/Jazz, Ballet/Jazz and Jazz/Tap.

HIP HOP

Hip Hop dance classes will work on all facets of Hip Hop culture, from the old school street basics to the current styles and choreography of today. Hip hop dancers will learn how to isolate their body and move to a syncopated rhythm. Dancers will work across the floor, center-floor and incorporate basic Hip Hop tricks.
