

Preschool Gymnastics Classes

PARENT TOT (AGES 18 MO - 3 YRS)

This class requires that a parent assists and supervises their child in class. Under the instruction of a coach, children will use preschool-size equipment in the large gym to learn basic motor movement & gymnastic skills. Some of the gymnastics events taught are the bars, beam, floor, & trampoline. All skills will be presented in a fun & age appropriate manner & in a safe environment. Basic gymnastics/motor skills taught in this class include running, skipping, jumping, swinging, body positions, log rolls, forward & backward rolls, & tables. Children will also be taught basic social skills, such as listening, following instructions & sharing, as well as incorporating fun & learning into our activities (colors, shapes, animals, etc.). These classes provide a great opportunity for a parent & child to bond & participate in skills & fun activities together.

GYM JAMMERS (AGES 3 - 5)

Students will dance and do gymnastics through this 1.5 hour class. They will explore ballet, creative movement, and gymnastics fundamentals. Students will also learn basic dance and gymnastics terminology, and enjoy fun games and music. Gym Jammers is open to boys and girls ages 3-5. Students must be potty trained.
