

PEAK WINTER DANCE PRODUCTION NEWS VOLUME 13 ISSUE 1 SEPT. 18, 2020

ONLINE REGISTRATION HERE: bit.ly/WinterProductionReg2020

Dear Peak Dance Families,

In a year that has brought so much uncertainty and change, we are filled with excitement to begin working with your dancers to prepare for our favorite event of the year, The Winter Production! Although it will look different, the amount of joy we feel from working with your children to create amazing performances is greater than ever! We invite EVERY dancer in our program to join us for this year's production as we celebrate new beginnings and a new chapter in all of our journeys!

The Winter Production provides students a way to present pieces of choreography at a "performance ready" level and have an experience that will leave them with memories to last a lifetime!

We are excited to use the gift of technology to create a Winter Production that will be no less than amazing. Working with one of the top videographers in the state, we will transform our new studio into a beautiful theater where the dancers' performances will be recorded from multiple angles to create an amazing virtual experience and production masterpiece that our families will have an opportunity to watch and view at the same time from wherever they may be! While spectators will not be allowed in the studio during filming due to Social Distancing regulations, everyone will feel like they are part of the magic when they watch the performance videos!

Dancers will receive top-notch choreography, beautiful costumes, professional photography opportunities and their own copy of the Winter Production video that they can watch for many years to come!

Upon registration, you will receive monthly newsletters leading up to the performance. Please make sure you pay close attention to deadlines and details to ensure your dancer will be 100% prepared for the production! We wish you all a happy fall and please feel free to reach out to one of us below via email if you have any questions! More than ever, we are grateful that you choose Peak Athletics as your studio home! With gratitude,
The Peak Athletics Dance Staff
